A<sub>1</sub>

A2

The image shows a template for A2 paper. It features a large, light gray watermark of the text 'A2' centered on the page. The page is framed by a double-line border: an inner black line and an outer cyan line. Two horizontal green lines are positioned above and below the watermark, dividing the page into three sections. The top and bottom sections are large rectangular areas, while the middle section is a narrow horizontal band.
